Olsztyn, 31.03.2020

## REFERENCE LETTER

EC Company „**ELCON Bratislava a. s.**” with its registered office at Bajkalská 19B street, Bratislava, the leader of contractors consortium for investment:

### **Construction of a 400 kV dual track line Križovany - Bystričany**

hereby certifies that **SAL MULTIROTOR Sp. z o.o.** with its registered office at ul. Władysława Trylińskiego 8, Olsztyn, was involved in the following project during the construction:

Hanging the initial rope during tension works in difficult terrain using Unmanned Aerial Vehicle.

**SAL MULTIROTOR Sp. z o.o.** has successfully handled the indicated sections in the a range of 2472 meters and made initial-rope flights efficiently and professionally.

The construction works were carried out on over the river section and over the farmland sections included the preparation for the tensioning of conductors and the OPGW wire.

Having recognised their professional approach, commitment, innovative working methods and punctuality of work, we recommend **SAL MULTIROTOR Sp z o.o.** as a solid business partner.
