REFERENCE LETTER

SPIE Hungaria Kft. with its registered office at 1116 Budapest, Mezőkövesd street 5-7, contractor of stringing works:

ADSS cable installation on Érd - Diósd and Angyalföld - Káposztásmegyer 132 kV OHLs

hereby declares, that **SAL Multirotor Sp. z o.o.** with its registered office at Władysława Trylińskiego 8 street, Olsztyn, during construction has been engaged in following project:

Hanging the pilot rope during works in Budapest agglomeration using Unmanned Aerial Vehicle for ADSS cable installation.

SAL Multirotor Sp. z o.o. has successfully handled the indicated project in a total range of **12 400 meters with one rope**, and made initial-rope flights efficiently and professionally.

Cooperation with **SAL Multirotor Sp. z o.o.** allowed to reduce ADSS installation work costs in difficult terrain of Budapest agglomeration and had positive impact on safety and ergonomics of work processes,

Appreciating professional approach, engagement, innovative work methods and punctuality of work, we recommend **SAL Multirotor Sp. z o.o.** as a solid business partner.
